

## EcoScan® iMd

Inuvio's EcoScan® iMd (DocuCap AM481) Mobile ADF (Automatic Document Feeder) document, card and receipt scanner provides commercial quality and reliability in the smallest footprint possible. The iAd can scan medical and ID cards, forms, passports, checks, documents, and almost any other type of hard copy media up to 8.5" x 65". It can easily hold up to 20 sheets and process 20 pages per minute and the resulting image is a clear 600dpi resolution.

Inuvio's ScanSharp® software is designed to work well with all our hardware offerings and can deliver images in your choice of formats such as PDF, JPG, BMP, GIF and more. Applications vary from healthcare such as doctors, dentists, vision, pharmacies, and labs to financial such as banks, mortgage, insurance, shipping, and automotive to security such as law enforcement / government, education, transportation, entertainment, and staffing to small office / home office, tax receipts, and beyond.
